

First problem the cost

Second people don't want to pay lots of

Third they want good service drop on fast and time to time

The current prise of market nithari to nangloi 15 rupees one way only

The current prise of cng fuel is Delhi ▲ ₹ 73.61

We take only 10rupees total day round nithari to nangloi

10 per day

Total seat are in ecco 8

And 1 way to amount is 80 rupees

And return amount $160 * 10 = 1600 /$

And 1 month amount is 48000 /

Cng full tank prise 3700 /

Aer driver salary 12000 /

And are margin is 32300 /
